

IPA World Congress 2010
April 16-17, 2010
Miami, FL

The IPA World Congress is a CME/CE approved for MDs, nurses and dietitians.
This activity is jointly sponsored by Global Education Group and the International Probiotics Association.

TARGET AUDIENCE

The educational design of this activity addresses the needs of healthcare practitioners, dietitians, nurses, and consumers who may be interested in learning more about the clinical benefits of probiotics for themselves or for their patients.

STATEMENT OF NEED

This program will contain an overview of general information about probiotics as well as sessions devoted to the health concerns that have the most documented research findings with probiotics as well as sessions on prevention of diseases using probiotics.

LEARNING OBJECTIVES

Upon completion of this activity, participants should be able to:

- Discuss the role of probiotics in the gut health
- Describe the clinical activity surrounding probiotics
- Identify the health concerns that have the most documented research findings with probiotics
- Explain the regulations surrounding probiotics on a global scale

ACCME

Accreditation Statement

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of Global Education Group (Global) and International Probiotics Association. Global is accredited by the ACCME to provide continuing medical education for physicians.

Credit Designation

Global Education Group designates this educational activity for a maximum of 11.0 *AMA PRA Category 1 Credit(s)*[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

ANCC

CNA/ANCC

This educational activity for 11 contact hours is provided by Global Education Group.

Global Education Group is an approved provider of continuing nursing education by the Colorado Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

CDR-ADA

Global Education Group has applied for status as a Continuing Professional Education (CPE) Accredited Provider with the Commission on Dietetic Registration (CDR). Determination of credit is pending.

PURPOSE OF ACTIVITY

The program will be set up to attract healthcare practitioners, dietitians, nurses, and even consumers who may be interested in learning more about the clinical benefits of probiotics for themselves or for their patients. This program will contain an overview of general information about probiotics as well as sessions devoted to the health concerns that have the most documented research findings with probiotics as well as sessions on prevention of diseases using probiotics.

DISCLOSURE OF CONFLICTS OF INTEREST

Global Education Group (Global) requires instructors, planners, managers and other individuals who are in a position to control the content of this activity to disclose any real or apparent conflict of interest they may have as related to the content of this activity. All identified conflicts of interest are thoroughly vetted by Global for fair balance, scientific objectivity of studies mentioned in the materials or used as the basis for content, and appropriateness of patient care recommendations.
