

Abstracts must be submitted electronically to info@internationalprobiotics.org before February 17th, 2012. Please review the Rules and Guidelines before submitting your abstract.

- ✓ **Each abstract should contain a sentence stating the study objective (unless given in the title); a brief statement of methods, if pertinent; a summary of the results obtained; and a statement of the conclusions. It is not satisfactory to say "the results will be discussed."**
- ✓ **Use a short, specific title with upper and lower case letters. Do not put a period at the end of the abstract title.**
- ✓ **Capitalize initial letters of trade names.**
- ✓ **Use standard abbreviations for units of measure. Other abbreviations should be spelled out in full at first mention, followed by the abbreviation in parentheses. Exceptions: DNA, RNA, etc.**
- ✓ **Include the source of research support on the bottom line of the abstract.**

The extended deadline for abstract submissions is March 2, 2012

Successful and acceptable submissions will be notified by the beginning of March 2012 through email. Please make sure that all contact information is attached with the abstract
